

THE 1956 OWL

the OWL '56

ODEM HIGH SCHOOL

Odem, Texas

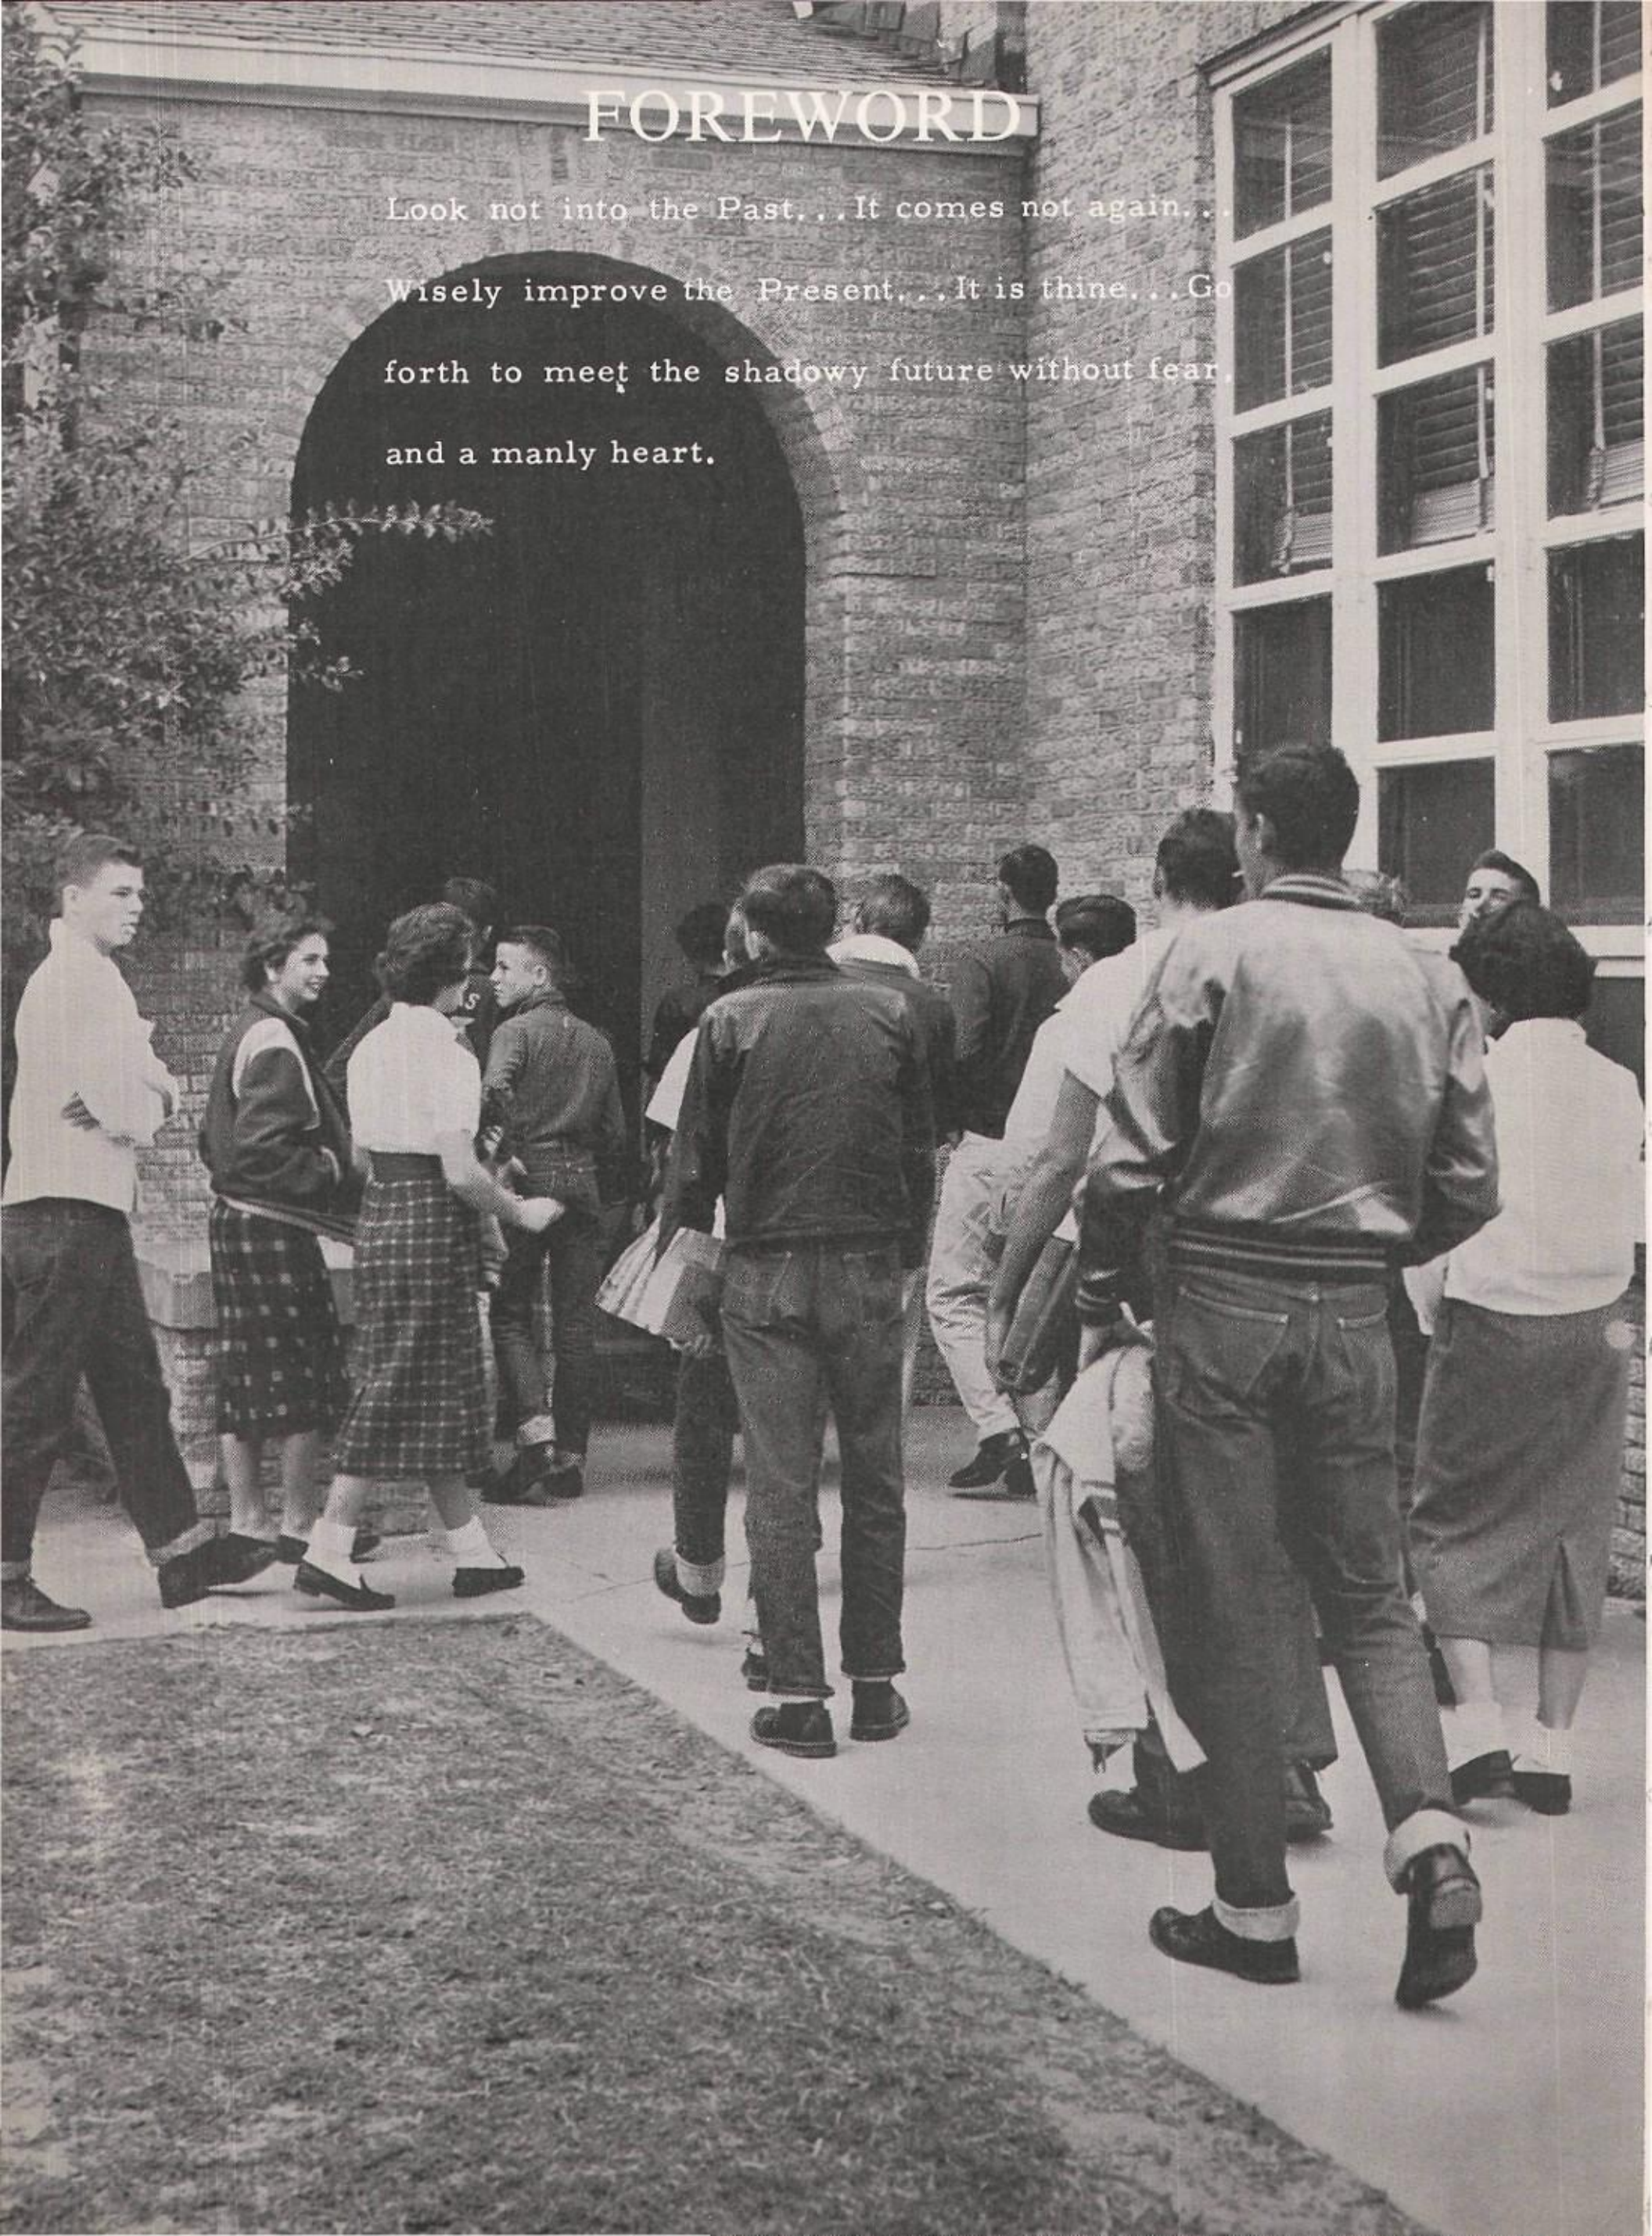

FOREWORD

Look not into the Past... It comes not again...

Wisely improve the Present... It is thine... Go

forth to meet the shadowy future without fear,

and a manly heart.

The 1956 volume of THE OWL
is respectfully dedicated to
the men and women who have
served or are serving as trustees
for the Odem Schools.

Football

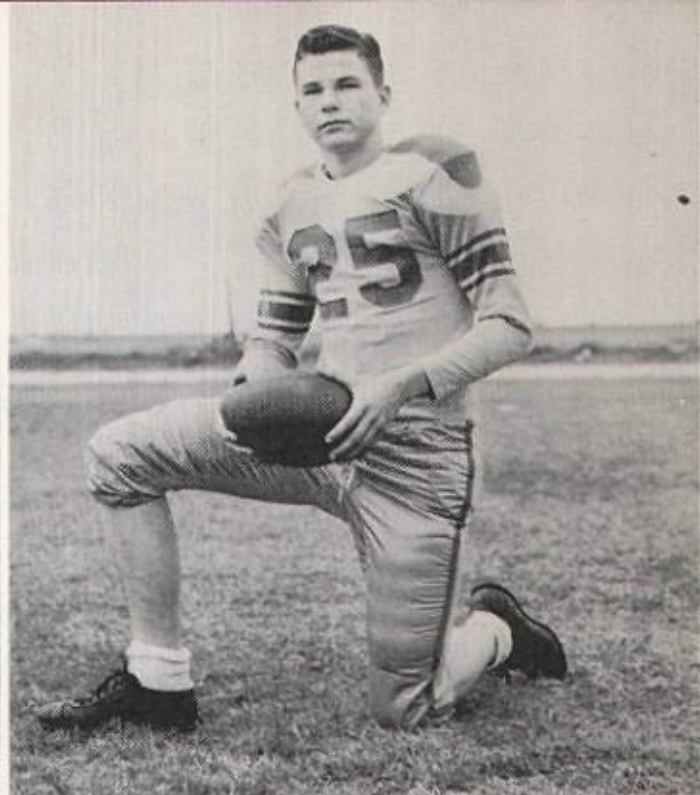

A stylized, high-contrast black and white illustration of football players in action. The word 'Football' is written in a large, outlined, serif font. The letters are integrated with the figures of players. For example, the 'o' in 'Foot' and the 'a' in 'ball' are formed by players in various poses, such as running, blocking, and tackling. The overall style is reminiscent of mid-20th-century graphic design.
